22 June 2019: The Hotel Hindustan International: Bhubaneswar

Draft Programme

Over the years, countries across the globe, have acknowledged the potential and importance of Indian manpower. Dip in the youth population of key global economies vis-à-vis the growing numbers in India presents a huge opportunity, which can be capitalised if our talent pool is trained as per international standards.

*The Summit theme – **Future Skills | Entrepreneurship | Networking**, has been designed to trigger a debate around the challenges being faced by the skills ecosystem in India, highlight the desired future skill sets and identify best practices, which if emulated, can help India create a global skilled talent pool.*
